Agenda: Workshop Women in STEM: "Nanotechnology and Green Energy"

Date: 2 October 2025, from 10am to 5pm

Place: Tirana, Albania (same location as conference NanoBalkan 2025)

10-10:15 am: Welcoming Speech and Introduction of the Workshop by Dr. Marinela Barci, Principal Engineer at Huawei R&D, Belgium and **A**lbanian **W**omen **I**n **N**anotechnology - AWIN Founder

10:15-10:30 am: NanoAlb and its activity related to STEM by Prof. Dr., Majlinda Vasjari, University of Tirana, Albania, NanoAlb coordinator

10:30-11:00 am: Green Energy and Startup/Industry, Moderator Dr. sc Albana Veseli, University of Prishtina "Hasan Prishtina", Kosova, Group Leader, NanoAlb, Academy of Science of Albania

- Dr. Rexhina Saraci, Co- founder of FeFuel Solutions, Italy
- P.Eng.PMP, Joli Delimeta, Founder and Administrator at Solaron, Albania

11:00- 11:15 pm: Break

11:15-11:45 am: Green Energy and Sustainability, Moderator Asoc. Prof. Dr. Mimoza Bashollari, University of Pristina, Kosova, Group Leader – NanoAlb

- Prof. Dr. Majlinda Daci, Women Kosovo Mining and Energy, Kosovo
- Msc. Edita Kala, Sustainability and Carbon Accounting Analyst, Intersnack Group, Germany

11:45-12:15 am: Green Energy and Academia, Moderator Prof. Dr., Valbona Aliko, University of Tirana, Albania, Coordinator of Quartz – NanoAlb

- Acad. Prof. Dr. Magdalena Cara, Agriculture University of Tirana, Albanian Academy of Science
- Dr. Ada Tushe, Postdoctoral researcher at IRCCS, Italy

12:15- 13:15 pm: Lunch Break

13:15-14:00am: Special guests, Moderator BSc. Tea Mankollari, Department of Bioscience and Engineering, Western Balkan in Tirana, Albania

- Acad. Prof. Dr. Arben Merkoci, Head of NanoAlb, Albania and INSC, Spain
- Acad. Prof. Dr. Anila Paparisto, University of Tirana and Albanian Academy of Science
- Dr. Gjylije Hoti, Research Technologist, University of Turin, Italy and Albanina Women In Nanotechnology AWIN Co-coordinator

14:20- 15:20 pm: Panel discussion" Nanotechnology and Green Energy in Albania and the great possibilities it offers to Women in STEM", Moderator Prof. Dr. Kledi Xhaxhiu, University of Tirana, Co-coordinator of NanoAlb, Albania

15:20- 15:30 pm: Final Remarks, Moderator Dr. Marinela Barci, Principal Engineer at Huawei R&D, Belgium and AWIN Founder

15:30: 17:00 Networking and Open Discussion

Organizers: AWIN, NanoAlb, Phantom Organization, Albanian Academy of Science, University of Tirana, Albania, University of Prishtina, Kosovo, ICN2 Spain
